Africa Eco Race, to be unloaded on Jan. 24th on Med Europe Terminal, is an annual rally raid organized since the leaving of the old fashioned Paris Dakar from Africa to South America. The Africa Eco race has developed a special focus to help local people and sustainable development.

L'Africa Eco Race, qui débarquera le 26 janvier sur le Terminal Med Europe, est un rallye organisé tous les ans sur les traces du Paris Dakar ancienne version, qui a quitté depuis 2008 le continent africain pour l'Amérique du sud. Ce rallye est l'occasion de venir en aide aux populations des pays traversés et participer au développement durable.

The "Mediterranean Express" service, used by the Africa Eco Race, directly connects the Mediterranean area with West Africa. With regular departures every 11 days, this Line serves directly the ports of Casablanca, Dakar, Lome, Lagos, Cotonou and Abidjan.

Le Service Mediterranean Express, transportant l'Africa Eco Race, relie directement le bassin méditerranéen à l'Afrique occidentale. Casablanca, Dakar, Lome, Lagos, Cotonou et Abidjan sont directement desservis tous les 11 jours.

Med Europe Terminal keeps on taking advantage of its security policy goes on : second following year without theft and dispute.

Aucun vol, ni litige à déplorer en 2016, Med Europe Terminal engrange les résultats de la politique de sûreté mise en place depuis quelques années.
