Activity evolution

Help Med Europe make a difference : A satisfaction survey has been launched to assess performances, identify the main lines of action, and meet optimally your demands. So far we received some answers but not enough to identify a trend. A few minutes will be enough to answer or transfer it around you. [click here.](#)

Aidez Med Europe à progresser : Une enquête de satisfaction a été lancée pour nous permettre d'évaluer nos performances, de déterminer nos axes d'action afin de répondre à vos attentes de façon optimale. Les réponses reçues à ce jour ne sont pas suffisantes pour permettre de dégager une tendance. Quelques minutes suffisent pour répondre ou transmettre le lien autour de vous. [cliquez ici.](#)
